Dario Castiglione (University of Exeter)

Peter Kennealy (European University Institute)

Alexandra Segerberg (Stockholm University)

Peter Triantafyllou (Roskilde University)

ECPR – *Studies in European Political Science* is a series of high-quality edited volumes on topics at the cutting edge of current political science and political thought. All volumes are research-based offering new perspectives in the study of politics with contributions from leading scholars working in the relevant fields. Most of the volumes originate from ECPR events including the Joint Sessions of Workshops, the Research Sessions, and the General Conferences.

Books in this series:

A Political Sociology of Transnational Europe

ISBN: 9781907301346

Edited by Niilo Kauppi

Between Election Democracy

ISBN: 9781907301988

Edited by Hanne Marthe Narud and Peter Esaiasson

Europeanisation and Party Politics

ISBN: 9781907301223

Edited by Erol Kūlahci

Great Expectations, Slow Transformations: Incremental Change in Post-Crisis Regulation

ISBN: 9781907301544

Edited by Manuela Moschella and Eleni Tsingou

Growing into Politics

ISBN: 9781907301421

Edited by Simone Abendschön

Interactive Policy Making, Metagovernance and Democracy

ISBN: 9781907301131

Edited by Jacob Torfing and Peter Triantafyllou

New Nation States

ISBN: 9781907301360

Edited by Julien Danero Iglesias, Nenad Stojanović and Sharon Weinblum

Perceptions of Europe

ISBN: 9781907301155

Edited by Daniel Gaxie, Jay Rowell and Nicolas Hubé

Personal Representation: The Neglected Dimension of Electoral Systems

ISBN: 9781907301162

Edited by Josep Colomer

Political Participation in France and Germany

ISBN: 9781907301315

Oscar Gabriel, Silke Keil, and Eric Kerrouche

Political Trust: Why Context Matters

ISBN: 9781907301230

Edited by Sonja Zmerli and Marc Hooghe

**Practices of Interparliamentary Coordination in International Politics:
The European Union and Beyond**

ISBN: 9781907301308

Edited by Ben Crum and John Erik Fossum

The Political Ecology of the Metropolis

ISBN: 9781907301377

*Edited by Jefferey M Sellers, Daniel Kübler, R. Alan Walks
and Melanie Walter-Rogg*
